sil. č. II/648, k.ú. Vojkovice

The diagram shows a vertical road with dashed centerline. At the top, an arrow points down towards 'směr Horní Tošanovice'. At the bottom, an arrow points up towards 'směr Dobrá'. On the left side (towards Horní Tošanovice), signs B20a and B21a are placed near the centerline, followed by B26 further back. On the right side (towards Dobrá), signs B20a and B21a are placed near the centerline, followed by B26 further back. A large green rectangle representing a work area is positioned between the two directions. Red and white striped safety barriers flank the green rectangle. Reflective triangles (A15) are placed at the front and rear of the work area. A dimension 'min. 2,75' indicates the minimum distance from the centerline to the first sign on each side.
